Bay Area Legal Aid provides free help with civil legal problems regarding housing, public benefits, health care access, and domestic violence prevention. Help includes potential legal advice, legal information, referrals, and possible representation in the following areas for low-income people:

**Housing Preservation:** public, subsidized, and private housing; fair housing and housing discrimination; housing conditions; lock-outs and utility shut-offs; residential hotels

**Public Benefits:** Veterans Benefits; CalWORKs; SSDI; SSI; Food Stamps; General Assistance; Cash Assistance Program for Immigrants

**Consumer:** credit card debt; debt collection; bankruptcy advice; wage garnishment; credit report errors

**Health Care Access:** Medi-Cal; Denti-Cal; Medicare; Healthy Families; In-Home Support Services; ParaTransit Services; mental health services; HMO Issues

**Domestic Violence:** temporary restraining orders; legal separation or annulment; divorce; child or spousal support; custody and visitation orders; immigration issues; Violence Against Women Act enforcement **for domestic violence survivors only**
