WORKING TOGETHER FOR JUSTICE

Who Do We Serve?

Our Veterans Project provides legal aid for low-income veterans and their families of all military service areas. Your discharge status does not matter.

Our priority is to serve clients who reside in Santa Clara County and whose income is under 200% of the federal poverty limit.

How Can We Help?

Many public benefits and programs are hard to obtain because of the many government rules and regulations involved. Legal advocacy can help re-establish eligibility, increase access to health care, and provide housing security.
